

'The Magical Wooden Climbing Frame'

Harden Primary PTFA Newsletter

Happy New Year!

Name the KS2 Frame- We held a competition to name the new KS2 equipment. The children submitted lots of brilliant names- thanks to the help of the office and lunchtime staff who rallied the children to make suggestions. The winner was Samuel Kitchen of Year 4. Samuel was joined by the school council to officially open:

'The Magical Wooden Climbing Frame'

We hope you're all really pleased with it, it's been popular so far and it's been great to see the children all enjoying it so much. We're suitably impressed with some of the climbing skills!

Thank you to Bridge Timber who did a great job installing this quality piece of kit.
