

WHAT IS THE PRIMARY SCHOOL SPORT GRANT FUNDING?

The government is providing additional funding to primary school's to spend on improving the quality of sport and PE for all children. Each school will receive £8,000 plus an extra £5 per pupil each year. At Harden Primary in 2016/17 we received around £8,865. Schools must spend the sports funding on improving their provision of PE and sport, but have the freedom to choose how they do this.

SPORTING OPPORTUNITIES IN 2016/17

The continuation of the Sports Grant in 2016/17 has enabled Harden Primary School to continue to develop a creative, challenging physical education curriculum and to offer a range of sporting opportunities which allows our children to develop greater skill in different sports, increase participation in PE activities and improve health and well-being.

The key school aims of the school for the Sports Grant are to :

- Ensure any funding is used to bring about sustainable improvements over the long term
- To encourage our children to develop a life-long love of exercise and taking part in sporting activities through our physical education programme.
- To provide a safe, caring and stimulating environment where all individuals are respected and valued.
- We accept that each child is different and the school continues to offer a wide range of sporting activities in order to engage all our children.

During 2016/17 the school has offered a wide range of curricular sporting activities. KS2 have benefitted from the support of a Sports Coach during lunchtime to help develop teamwork and skills in football, netball and cricket. Friday afternoons have been given over to martial arts. Each class has had at least one opportunity to take part in a six-week course. Reception class have been particularly enthusiastic and their parents were treated to a display of their skills.

Working in partnership with coaches from Harden Cricket Club, Saltaire Gym Club, Jimmy's Martial Arts, Heaton Tennis & Squash Club, SportsCool, This year we have offered clubs such as Dodgeball, Multi-skills, Football, Cricket, Rugby, Gymnastics, Squash and Marital Arts.

Thanks to the efforts of parents, the school was once again able to take part in the local school's Swimming Gala. Our team's enthusiasm and energy was a credit to the school.

The school also works closely with local secondary schools, Bradford Council and a range of sporting partners throughout Bradford. These links provide the school with the opportunity to participate in competitions with other schools in the area. The school acknowledges that children learn and develop a greater understanding of sportsmanship and fair play when participating in competition. The school's aim of continuing to provide opportunities for children who wish to compete on a competitive level and for those who wish to take part for the fun, enjoyment and experience of taking part has been realised during 2016/17 and we hope to continue and expand in this area in 2016/17.

Cross Country Team 2017

The school has continued to support children for whom their chosen sporting activities have required time away from school, such as coaching sessions for tennis, dance performances and exams. The school acknowledges the importance of always encouraging our children to follow their personal sporting interests and aspirations.

In 2016/17 the school was successful in being granted funding from the Big Lottery Fund for a Roktagon Climbing Pod. This is proving very popular with the KS2 children and we have some very nimble and flexible climbers.

We take great pride in celebrating all our children's sporting achievements both within school and in the community and encourage our children to bring in their certificates, awards and medals to share with the school and parents during our Friday Celebration Assemblies.

SPORTS GRANT FUNDING ALLOCATION 2016/17	
Total number of pupils on roll	207
Total number of pupils in eligible for funding (as at Jan 2017)	173
Basic Grant allocation	8,000.00
Additional amount per pupil: £5 x 173	865.00
Total amount of Primary PE Sports Grant	£8,865.00

NB: funding not awarded to children in Reception class

HOW HARDEN PRIMARY AIMS TO MEET THE OBJECTIVES OF SPORTS GRANT FUNDING

We are strongly committed to promoting children's physical development, PE skills and enjoyment of sport. We recognise that importance of PE to health and well-being of our children and the impact the PE curriculum and extra-curricular activities can have on the attitudes, confidence and academic achievement of all children. This is evident in the wide range of activities that we offer within school, outside of school and involvement in competitive sport against other schools.

IDENTIFIED AREAS OF SPORTS DEVELOPMENT FOR 2016/17

- Further development of the Buddy scheme, whereby year 6 work in small buddy teams to assist children in KS1 in the playground during lunchtime with games and sports.
- Staffing training & development in physical education to provide good / outstanding PE lessons throughout the school.
- Increased variety of physical activities and sporting provision.
- Increased participation in activity clubs.
- Continued participation of children in competitive and festival sporting events.
- Development of cycling skills, through early intervention in Reception with Balanceability and Bikeability in Year 6.
- Challenge every child in Year 5 to achieve the National Curriculum Standards required in swimming.
- Purchase additional PE equipment

EVALUATION OF 2016/17 SPORTS GRANT SPENDING

The school rigorously evaluates the impact of their Sports Grant spending. A wide range of data is analysed – achievement data, observations of pupils and staff during PE sessions, learning walks, staff feedback and pupil interviews.

Continuous monitoring of the school's PE provision allows for the sporting provision to be continually updated throughout the year. To put in place interventions for those pupils for whom PE provision may be challenging to enable participation in both PE lessons and activity clubs.

Teaching staff to report on CPD Sport training sessions and to contribute to subject knowledge development throughout the key stages.

RECORD OF SPORTS GRANT SPENDING 2016/17			
ITEM/PROJECT	OBJECTIVES	COST	IMPACT
Pro-Skills PE Teacher Training Programme including ????	<ul style="list-style-type: none"> To provide additional sports training for staff To increase physical activity participation of pupils PE Co-ordinator attendance at planning & assessment meetings 	£1700.00	<ul style="list-style-type: none"> Staff have a secure subject knowledge and skills in delivering Invasion games during PE Pupils knowledge of Invasion Games has improved Greater participation at Rugby club Increased physical activity of pupils
Level 5 Certificate in Primary Schools Physical Education	<ul style="list-style-type: none"> To provide a member of staff with a recognised certificate in PE 	£1245.00	<ul style="list-style-type: none"> Staff member to deliver PE lessons with a secure subject knowledge and skills.
