

13th February 2017

Dear Parents/Carers,

As you know year 4 are going on a residential to Whitby in May. After listening to several concerns from parents, we understand there are a few children worried about the trip and want to give them and you as much information as possible so the children can be excited to attend. We have arranged for year 5 to chat to the class, during the school day, and explain the great activities that they will be taking part in. We would also like to arrange an information giving event for parents and children so that you both can feel more confident about the trip. This will take place on 28th February 2017 at 3.15pm and again at 5.00pm. We hope that by offering both these times that the majority of people will be able to attend. Staff that are attending the residential will also be available to answer any questions you may have.

There will be another meeting nearer the residential where we will go through all the forms to fill in, sample menus, timings and kit list.

Thank you for your support.

Yours sincerely,

Mrs Kirsty Hutchinson

Headteacher
