

Year 2 Autumn Term Curriculum Overview.

5th September 2016

Dear Parent,

I hope you all had a fantastic Summer Holiday. I would like to take this opportunity to welcome you to Year 2 and I look forward to seeing you around school over the next few weeks.

This term our topic is 'I'm an explorer' which will be mainly Geography and Science based. We will be looking at maps of the World, identifying continents and the differences in weather and how people live. We will also look at the animals from different regions with a particular focus on the Arctic and Antarctic.

As you are probably already aware I really enjoy doing art in school and feel it is important for the children to work with a variety of mediums. It would be appreciated if you could send in an old t-shirt or top for your child to use as an art shirt that they can keep on their peg.

Year 2 will be having PE on Mondays and Thursdays this term so please could children come to school in their PE kits on these days.

Curriculum coverage.

Maths

-Mental Maths

Times tables - 2x, 5x and 10x.

Homework.

Reading - Children are expected to read at home for 10 minutes at least 4 times a week and I would really appreciate it if you could make sure your child's reading book is in school every day. Books will be changed once a week on a particular day.

Spelling - New spellings will be set every week. These will come home in the new reading records on a Friday and they will be tested on a Thursday.

Maths - Children need to practise their number Zumba objectives for the week which will be sent home on the Friday and tested the following Thursday.

Topic - Longer projects will be set over a few weeks.

If you have any questions please feel free to leave a message with the office and I will get back to you or via email year2@harden.bradford.sch.uk.

Kind Regards

H. RAW
