Dear Parents/Carers

You may be aware that, unfortunately, in the recent weeks the school has been affected by comments posted on social media / networks and a local newspaper website. The Senior Leadership Team and the Governing Body have met to discuss the events and have compiled policies which hopefully clarify the School's position with regards to all parents, carers and visitors.

Attached to this letter is a copy of the school's Visitor Policy and Code of Conduct : Parents/Carers and Visitors.

Please take the time to read through the information contained with the policies and if you have any queries or questions please do not hesitate to contact us.

We trust that parents, carers and visitors will assist our school with the implementation of these policies and we thank you for your continuing support of the school.

Yours sincerely

For & on behalf of the
Senior Leadership Team & Governing Body of the School
