Dear Parents and Children,

**HOME LEARNING – Reception**

<b>Reading</b>	Continue to read the Home Reading books that have been sent home, in addition to any library books. Use this opportunity to read some of the books you may also have at home, download audio books	
<b>Spelling/ Phonics</b>	Continue to access purple mash spelling games and writing your spellings into full sentences.	
<b>Maths</b> <i>Reception have access to Numbots by logging on to <a href="http://www.play.numbots.com">www.play.numbots.com</a></i>	<b>Games</b> Play snakes and ladders Dominoes Cards – higher and lower Play shops or cafes and pay for your food.	<b>Counting</b> Match an amount of objects to a given number Use raisins, grapes, cereal pieces etc... to help you practise counting in multiples of 2, 5 and 10.
	<b>One more and one less</b> Get some raisins, grapes, cereal pieces. Place some on a plate. If the grown up with you says 'one more', add one more and say what number you have now. If they say 'one less', eat one and count how many you have left. Ask a grown up to give you some toys. Count how many you have. Can you put out another group of toys so you have one more and then one less? Build a tower with bricks. Can you build another tower with one more brick? Can you build another with one less brick?	<b>Addition</b> Roll a dice twice and add the two numbers together. Spend 5 minutes each day practising your number bonds to 10 – which two numbers to add together to make a total of 10?
<b>Purple Mash</b>	We have set a number of '2do' activities that link with our current learning, that will consolidate and challenge work we have covered in class.  Please also use this opportunity to explore the different tools on purple mash... create your own music, a book with attached sound or animation or even create an artistic masterpiece!
