

# Keeping in touch

26th June 2020

Hi everyone,

I hope you are all well and enjoying some more glorious weather. I think we have been very spoilt so far this year so let's hope that it continues.

You should have all received your child's end of year report. This year we have hand delivered the majority of the reports and bumped into quite a few of you on our delivery rounds. We hope that you are happy and agree with the report that has been written. Please can you and your child email a comment about the report to the year group email, year?@harden.bradford.sch.uk. We look forward to reading them.

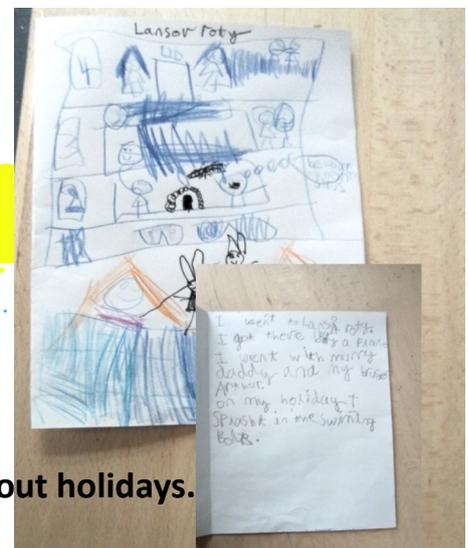

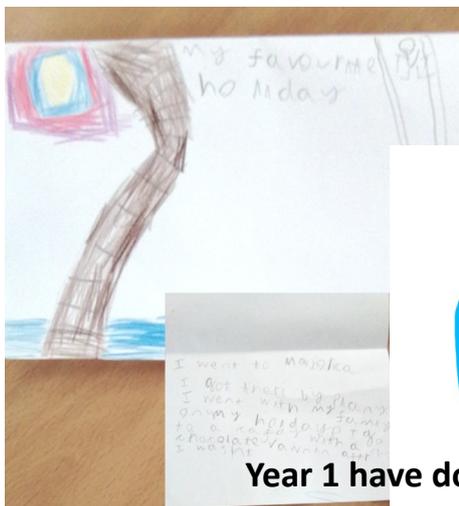

We have also sent out a letter with the staffing for next academic year and we will be arranging some transition meetings with your new teacher, following social distancing rules. We hope this will put your child at ease and ensure they start school in September more confident.

It is looking likely that all children will be able to return to school in September. We are planning for this to happen and making arrangements for this to be as safe as can be for everyone. We understand some parents may feel anxious about this but we are here to help and discuss arrangements with anyone who needs it. We will let you know as soon as we get the new guidance from the DFE how we will organise learning in September.

We have a number of children accessing school over the week. We are happy to discuss with any parent their child's needs and what we can offer to help you and your child before the summer holidays.

Take care everyone and contact us if we can be of any help.

Mrs Hutchinson 😊

Year 1 have done some lovely work about holidays.

# Harden Wall of Fame

## Harden Ready, Steady Cook.

We set you all a challenge to cook or bake something edible. We have been very impressed with all your efforts and wanted to share some of them with you.

# Headteacher Stars of the week

Millie Cowman has done an amazing act of kindness. She has made cards for people who are in hospital suffering from Covid 19 to cheer them up and make them smile.

We are so impressed with this selfless act that you very much deserve this award. Your certificate is in the post.

Well done Millie, we are very proud of you!

I was so impressed with all the seesaw posts for the Ready, Steady Cook activity but I particularly liked Lottie Snooks and Olivia Wilde's effort.

I thought Olivia's Father's Day cookie was great and such a lovely idea and Lottie's hedgehog bread was amazing. Well done you two. Your Head Teacher's award certificate is in the post.
