

WHAT PUPIL PREMIUM FUNDING?

The Pupil Premium is funding provided to schools which is additional to main school funding. It is allocated according to the number of pupils on-roll who have been eligible for free school meals (FSM) within the last 6 years. Pupil Premium payments are also allocated to children of service families and pupils who are 'Looked After' (in care) or adopted.

It is for schools to decide how the Pupil Premium is spent, since they are best placed to assess what additional provision should be made for the individual pupils within their responsibility.

Schools are to be held accountable for how they have used the additional funding to support pupils from low-income families. This report aims to clear information regarding how the pupil premium was spent in the last financial year (2020/21) and the impact of this funding.

At Harden Primary School we have focused the use of Pupil Premium funding to raise the attainment of disadvantaged pupils of all abilities and to close the gaps between them and their peers. Our analysis of individual pupil performance and knowledge of our curriculum provision has shaped how we spend pupil premium monies to maximize positive and effective outcomes.

PUPIL PREMIUM FUNDING IN 2020/21

Harden Primary School attracts a small Pupil Premium funding allocation in comparison to schools within the local district and Bradford area. Funding is based on information taken from the January 2018 School Census. Pupil Premium is split into 4 main areas, Free School Meals (Ever 6), Looked After Children & Children previously in care, Service Children (Ever 5). The areas attract the following funding:

Rates for eligible pupils	Pupil premium per pupil
Pupils in year groups reception to year 6 recorded as Ever 6 FSM	£1,320
Looked-after children (CLA) defined in the Children Act 1989 as one who is in the care of, or provided with accommodation by, an English local authority	£1,900
Children who have ceased to be looked after by a local authority in England and Wales because of adoption, a special guardianship order, a child arrangements order or a residence order (PLAC)	£1,900
Pupils in year groups reception to year 11 recorded as Ever 5 Service Child or in receipt of a child pension from the Ministry of Defence	£300

CLA & PLAC funding is allocated by a local authority (not necessarily Bradford) and each authority has its own funding stipulations and may 'top-slice' a percentage. Therefore figures for LAC funding may differ from the amount per number of children to the total amount received by the school.

The CLA & PLAC premium must be managed by the designated virtual school head (VSH) and used for the benefit of the looked-after child's educational needs as described in their personal education plan.

Children who have ceased to be looked after by a local authority in England and Wales because of adoption, a special guardianship order, a child arrangements order or a residence order receive the full funding allocation.

AIMS & OBJECTIVES FOR PUPIL PREMIUM FUNDING 2020/21

- To ensure disadvantaged pupil make consistently good progress across school and to raise attainment to be in line with national average and year group expectations.
- To ensure identified disadvantaged pupils make accelerate progress.
- To deliver intervention programmes alongside quality first teaching
- To ensure pupil premium funding is allocated to enhance a pupil's school experience and to directly improve their life chances.
- Residential visits to be paid in full/subsidised for identified pupils
- To raise attendance & punctuality of identified pupils.
- To provide support for the families of disadvantaged pupils
