

WHAT IS THE PRIMARY SCHOOL SPORT GRANT FUNDING?

The government is providing additional funding to primary school's to spend on improving the quality of sport and PE for all children. In 2017/18 academic year the government increased the funding and Harden Primary received a total of £17,770. Schools must spend the sports funding on improving their provision of PE and sport, but have the freedom to choose how they do this.

SPORTING OPPORTUNITIES IN 2017/18

The continuation of the Sports Grant in 2017/18 has enabled Harden Primary School to continue to develop a creative, challenging physical education curriculum and to offer a range of sporting opportunities which allows our children to develop greater skill in different sports, increase participation in PE activities and improve health and well-being.

The key school aims of the school for the Sports Grant are to:

- Ensure any funding is used to bring about sustainable improvements over the long term
- To encourage our children to develop a life-long love of exercise and taking part in sporting activities through our physical education programme.
- To provide a safe, caring and stimulating environment where all individuals are respected and valued.
- We accept that each child is different and the school continues to offer a wide range of sporting activities in order to engage all our children.

During 2017/18 the school has offered an even wider range of curricular and extra-curricular sporting activities. Pupils have benefitted from the support of a variety of Sports Coaches during PE lessons. The funding has allowed all teachers and teaching assistants to observe high quality PE teaching and learning which then helps to develop their confidence and skill level within those aspects of PE. Subsequently this leads to higher quality PE teaching when these teachers are delivering their own PE sessions in the future.

In 2017/18 the school worked in partnership with coaches from Pro-Skills, Mark Gunn's Basketball club, Saltaire Gym Club, Jimmy's Martial Arts, Ambitions Gymnastics, Daniel Brooks Gymnastics, Keighley Cougars and SportsCool. These partnerships have certainly

enabled us to enhance our curricular & extra-curricular delivery. In 2017/18 the school continued to offer before/after school activity clubs that help to develop pupils' overall health and well-being. These have included: Multi-skills, Football (specific sessions for girls & boys), Dodgeball, Badminton, Cricket, Rounders, Mini Tennis Gymnastics, Cross-Country, Martial Arts, Netball, Dance and Basketball.

Thanks to the efforts of a supportive partnership between our parents and the school, as in previous years the school was once again able to take part in the local school's Swimming Gala. The school engaged Bradford Grammar Schools' excellent swimming facilities to give all pupils who wanted to represent the school a chance to trial for the event. We also held extra team practice sessions to further develop the pupils in this discipline. Again our swimming team's enthusiasm, energy and effort on display during the semi-finals and finals was outstanding and we are very proud of them.

The school also works closely with local secondary schools, Bradford Council and a range of sporting partners throughout Bradford. These links provide the school with the opportunity to participate in competitions with other schools in the area. The school acknowledges that children learn and develop a greater understanding of sportsmanship and fair play when participating in competition. The school's aim of continuing to provide opportunities for children who wish to compete on a competitive level and for those who wish to take part for the fun, enjoyment and experience of taking part has been realised during 2017/18 and we hope to continue to offer these opportunities in future years.

The school has continued to support children for whom their chosen sporting activities have required time away from school, such as coaching sessions for tennis, dance performances and exams. The school acknowledges the importance of always encouraging our children to follow their personal sporting interests and aspirations.

We take great pride in celebrating all our children's sporting achievements both within school and in the community and encourage our children to bring in their certificates, awards and medals to share with the school and parents during our weekly Celebration Assemblies.

PANATHLON CHALLENGE

We took a team of children to compete in the Panathlon Challenge event in York. All the children took part in 7 different events and finished off with fun races. They all enjoyed representing the school & did a great job. Well done!

CIRCUSOLOGY

In April 2018 the whole school enjoyed a visit from Circusology. Circusology engaged pupils in unique workshops and pupils learned skills which are centuries old but still relevant today. Pupils learnt key skills such as balance, hand-eye co-ordination, rhythmic movement and concentration. Great fun was had by all!

DANCE WORKSHOP : WEST END IN SCHOOLS

In November 2017, Years 1 to 6 engaged in The Ramayana : The Diwali Dance Workshop led by a West End in Schools choreographer. This dance workshop brought all the energy of Diwali into the heart of our school through music and movement. The children were able to retell elements of this epic story through dance.

SKIPPING 4 SCHOOLS

It's been a number of years since Skipping 4 Schools last visited Harden and in 2017/18 our pupils were fortunate to experience a fantastic skipping workshop. Our children and staff were taught how to skip properly, starting from the basic steps to advanced techniques. Pupils and staff left the sessions inspired and excited to take their new found skills into both the playground and PE sessions.

ACTIVE BREAK & LUNCH

Since the skipping workshop, the popularity of skipping has increased significantly and is now a regular daily activity for many children in the playground at break time and lunch. The children also benefit from additional resources that are funded by the PE premium funding to have fun and active breaks which obviously increases the wellbeing of these pupils too.

BROWNLEE BROTHERS TRIATHLON

All children from Cross Country club were rewarded for their commitment to running & keeping fit throughout the winter by attending this magnificent event. Even though we didn't get to meet the Brownlee Brothers themselves the children all got a taste of what a real triathlon is like - transitions and all! It was great to see how many children took part and how every one of them did so with a smile on their faces!

TEAM ACTIVE GOLD MARK FOR SPORTS In 2017/18 the school retained the Team Active Gold Mark for Sports, which we were originally awarded in 2016/17. Harden is one of only 15 primary schools in the whole of Bradford to achieve such accreditation and we are working hard to ensure that we continue fulfil the criteria which such an award demands.

SPORTS GRANT FUNDING ALLOCATION 2017/18	
Total number of pupils on roll	205
Total number of pupils in eligible for funding (as at Jan 2018)	176
Basic Grant allocation	16,890
Additional amount per pupil: £5 x 176	880
Total amount of Primary PE Sports Grant	£17,770

NB: funding not awarded to children in Reception class

HOW HARDEN PRIMARY AIMS TO MEET THE OBJECTIVES OF SPORTS GRANT FUNDING

We are strongly committed to promoting children's physical development, PE skills and enjoyment of sport. We recognise the important role that primary PE has to the health and well-being of our children, not just for the here and now but for the rest of their lives beyond their time at Harden. Also, the impact the PE curriculum and extra-curricular activities can have on the attitudes, confidence and academic achievement of all children is clear to see throughout our school. This is evident in the wide range of activities that we offer within school, outside of school and the successful involvement we have achieved in competitive sports against other schools.

IDENTIFIED AREAS OF SPORTS DEVELOPMENT FOR 2017/18

- Further Staff training & development in physical education to provide teachers with the ability to deliver consistently good PE lessons throughout the school.
- Increased variety of physical activities and sporting provision available to all pupils.
- Increased participation in activity clubs (targeted clubs for groups of pupils).
- Continued participation of children in competitive and festival sporting events.
- Development of cycling skills, through early intervention in Reception with Balanceability and Bikeability in Year 6.
- Continue to challenge every child in Year 5 to achieve the National Curriculum Standards required in swimming.
- Purchase additional PE equipment

EVALUATION OF 2017/18 SPORTS GRANT SPENDING

The school rigorously evaluates the impact of their Sports Grant spending. A wide range of data is analysed – achievement data, observations of pupils and staff during PE sessions, learning walks, staff feedback and pupil interviews.

Continuous monitoring of the school's PE provision allows for the sports delivery to be continually updated throughout the year. It also allows us to place interventions for those pupils for whom PE provision may be challenging to enable them to more successfully participate in both PE lessons and/or extra-curricular activity clubs.

RECORD OF SPORTS GRANT SPENDING 2017/18			
ITEM/PROJECT	OBJECTIVES	COST	IMPACT
PE Teacher Training Programmes	<ul style="list-style-type: none">• To provide additional sports training for staff• To increase physical activity participation of pupils• PE Co-ordinator attendance at planning & assessment meetings	£12,415.00	<ul style="list-style-type: none">• Staff have a secure subject knowledge and skills in delivering Invasion games during PE• Pupils knowledge of Invasion Games has improved• Greater participation at Rugby club

			<ul style="list-style-type: none"> Increased physical activity of pupils
