

6th September 2019

Dear Parents

PARENT GOVERNORS: Expression of interest

As you may know, we have a vacancy on our board of governors for a parent governor. We are very keen to encourage parents (or people with parental responsibility) of registered pupils to nominate themselves to fill this vacancy. Parent governors are vital to our governing body in bringing not only a 'representative parental view' but also, by bringing additional skills and experience which help to support the work of the Governing Body

Governors serve for a four-year term and you can continue to the end of the four years even if your child/children leave the school and if you so wish, you may resign at any time. Being a governor does take up some time - undertaking training and updating, reading documents prior to meetings and of course, attending meetings. Governors are expected to play an active role in meetings, for example by being involved in discussions; feeding back from other meetings and training; and offering expertise and advice.

If you would like to take the opportunity to put yourself forward as a candidate, please email the school office by Monday 16th September 2019 with a short statement about your self.

Email: parents@harden.bradford.sch.uk

Yours sincerely,

Kirsty Hutchinson
Headteacher
