

Monday 20th April 2020

Dear Parents/Carers,

As you know from the recent keeping in touch newsletter, we are beginning to use Seesaw as a learning platform to support the children's learning.

Please find below details of how to access you child's personal log in.

- **First, email your child's class teacher and request their text code.**
- **Next follow the steps below:**

	1. Open the Seesaw Class app on iOS or Android. Or go to app.seesaw.me on any computer in Chrome or Firefox browser.
	2. Choose 'I'm a Student'.

- **Once you have chosen 'I'm a student' fill in your text code and click go.**

You should now be able to access the learning set for your child.

If you have, any queries please email and we will help you.

Good luck and enjoy!

Yours sincerely

Kirsty Hutchinson
Headteacher
