

WHAT IS THE PRIMARY SCHOOL SPORT GRANT FUNDING?

The government is providing additional funding to primary schools where they have to spend on improving the quality of sport and PE for all children. In 2019/20, academic year the government increased the funding and Harden Primary received a total of £17,730. Schools must spend the sports funding on improving their provision of PE and sport, but have the freedom to choose how they do this.

SPORTING OPPORTUNITIES IN 2019/20

The continuation of the Sports Grant has once again enabled Harden Primary School to continue to develop a creative, challenging physical education curriculum and to offer a range of sporting opportunities, which allow our children to develop greater skill in different sports, increase participation in a wide and varied range of Physical Education activities and improve their overall health and well-being.

The key school aims of the school for the Sports Grant are to:

- Ensure any funding is used to bring about sustainable improvements over the long term
- To encourage our children to develop a life-long love of exercise and taking part in sporting activities through our physical education programme.
- To provide a safe, caring and stimulating environment where all individuals are respected and valued.
- We accept that each child is different and the school continues to offer a wide range of sporting activities in order to engage all our children.

During 2019/20, the school has continued to offer a range of curricular and extra-curricular sporting activities. Pupils have again benefitted from the support of a variety of sports coaches during PE lessons, such as Yoga, Karate and Basketball. Teachers and teaching assistants have continued to develop their skills from observing the coaches in action first hand and also participating in these lessons themselves.

In 2019/20, the school continued to work in partnership with many coaches. These included: Pro-Skills, Mark Gunn's Basketball club, Saltaire Gym Club, Jimmy's Martial Arts, Tatty Bumpkin Yoga, Fisical Sports and SportsCool. These partnerships have certainly enabled us to enhance our curricular & extra-curricular delivery.

The school has continued to offer before/after school activity clubs that help to develop pupils' overall health and well-being. These have included: Football, Dodgeball, Gymnastics, Cross-Country, Bike Skills, Athletics, Martial Arts, Netball, Dance and Basketball.

Thanks to the efforts of a supportive partnership between our parents and the school, as in previous years the school was once again able to take part in the local school's Swimming Gala. Our swimming team's enthusiasm, energy and effort on display during the semi-finals and finals was outstanding and we are very proud of them.

As in previous years, the school also works closely with local secondary schools, Bradford Council and a range of sporting partners throughout Bradford. These links provide the school with the opportunity to participate in competitions with other schools in the area. The school acknowledges that children learn and develop a greater understanding of sportsmanship and fair play when participating in competition. The school's aim of continuing to provide opportunities for children who wish to compete on a competitive level and for those who wish to take part for the fun, enjoyment and experience of taking part has been realised during 2019/20 due to the funding available through the Sports Premium.

The school has supported children for whom their chosen sporting activities have required time away from school, such as horse-riding, dance performances and exams. The school acknowledges the importance of always encouraging our children to follow their personal sporting interests and aspirations.

We take great pride in celebrating all our children's sporting achievements both within school and in the community. Our children are proud to share their medals and certificates with the school and parents during our weekly Celebration Assemblies.

DAILY MILE

Here at Harden we have used Sports Grant funding to support the resourcing of our daily mile. This is where all children and staff take part in a daily exercise session, which challenges them to run or walk as far as possible. It's great to see how many of them have improved their stamina and overall fitness levels as a consequence.

LUNCHTIME PLAY SUPPORT

The Sports Grant has provided the school with 2 dedicated members of support staff to lead fun & engaging sporting activities during the lunch period. The children have also benefitted from additional resources that are funded by the Sports Grant funding to have fun and active breaks, which obviously increases the mental wellbeing of these pupils too.

SPORTS GRANT FUNDING ALLOCATION 2019/20	
Total number of pupils on roll	205
Total number of pupils in eligible for funding (as at Jan 2020)	180
Basic Grant allocation	16,830
Additional amount per pupil: £5 x 180	900
Total amount of Primary PE Sports Grant	£17,730

SWIMMING

Meeting national curriculum requirements for swimming and water safety:

Due to COVID 19 restrictions, the cohort of Year 5 children attending swimming lessons did not complete their sessions. Children will complete catch up sessions during 2020-2021, to ensure that they meet National Curriculum requirements by the end of Year 6.

What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2020.	100%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	88%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	73%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes/No

HOW HARDEN PRIMARY AIMS TO MEET THE OBJECTIVES OF SPORTS GRANT FUNDING

We are strongly committed to promoting children's physical development, PE skills and enjoyment of sport. We recognise the important role that primary PE has to the health and well-being of our children, not just for the here and now but for the rest of their lives beyond their time at Harden. Also, the impact the PE curriculum and extra-curricular activities can have on the attitudes, confidence and academic achievement of all children is clear to see throughout our school. This is evident in the wide range of activities that we offer within school, outside of school and the successful involvement we have achieved in competitive sports against other schools.

IDENTIFIED AREAS OF SPORTS DEVELOPMENT FOR 2020/21

- Further Staff training & development in physical education to provide teachers with the ability to deliver consistently good PE lessons throughout the school.
- Increased variety of physical activities and sporting provision available to all pupils.
- Increased participation in activity clubs (targeted clubs for groups of pupils not attending or identified by teachers in need of further support in PE).
- Continued participation of children in competitive and festival sporting events.
- Development of cycling skills, through early intervention in Reception with Balanceability and Bikeability in Year 6.
- Continue to challenge every child in Year 5 to achieve the National Curriculum Standards required in swimming.
- Purchase additional PE equipment

EVALUATION OF 2019/20 SPORTS GRANT SPENDING

The school rigorously evaluates the impact of their Sports Grant spending. A wide range of data is analysed – achievement data, observations of pupils and staff during PE sessions, learning walks, staff feedback and pupil interviews.

Continuous monitoring of the school's PE provision allows for the sports delivery to be continually updated throughout the year. It also allows us to place interventions for those pupils for whom PE provision may be challenging to enable them to more successfully participate in both PE lessons and/or extra-curricular activity clubs.

RECORD OF SPORTS GRANT SPENDING 2019/20			
ITEM/PROJECT	OBJECTIVES	COST	IMPACT
PE Teacher Training Programmes General Sports	<ul style="list-style-type: none"> To provide additional sports training for staff To increase physical activity participation of pupils PE Co-ordinator attendance at planning & assessment meetings 	£5760.00	<ul style="list-style-type: none"> Staff have a secure subject knowledge and skills in delivering Invasion games during PE Pupils knowledge of Invasion Games has improved Greater participation at After school activity clubs Increased physical activity of pupils
