

Harden Primary School

How to Keep each other safe

September 2020

- * I will stay 2 meters away from others where I can.
- * I will wash my hands throughout the day for 20 seconds and then use the sanitiser.
- * I will tell an adult if I feel unwell.
- * I will only bring the things into school that are necessary.
- * I will ensure that I don't put equipment in my mouth and only use the things given to me or my class.
- * I will not mix with children from another class in school.
- * I will ask an adult when I need to use the toilet; so they can help me be safe.
- * I will use the catch it, bin it, kill it rules for coughing or sneezing, or sneeze or cough into my elbow.

CATCH IT.

BIN IT.

KILL IT.
