**WHAT PUPIL PREMIUM FUNDING?**

The Pupil Premium is funding provided to schools which is additional to main school funding. It is allocated according to the number of pupils on-roll who have been eligible for free school meals (FSM) within the last 6 years. Pupil Premium payments are also allocated to children of service families and pupils who are 'Looked After' (in care) or adopted.

It is for schools to decide how the Pupil Premium is spent, since they are best placed to assess what additional provision should be made for the individual pupils within their responsibility.

At Harden Primary School we have focused the use of Pupil Premium funding to raise the attainment of disadvantaged pupils of all abilities and to close the gaps between them and their peers. Our analysis of individual pupil performance and knowledge of our curriculum provision has shaped how we spend pupil premium monies to maximize positive and effective outcomes.

## FUNDING PRIORITIES 2020/21

In 2020/21 our aim is to further increase the percentage of good/outstanding teaching across the school. We also want to continue to raise standards in our FSM pupils in reading, writing and maths and provide them with a wider range of enrichment opportunities.

Where pupils cross into different vulnerable groups and also have additional needs i.e. SEND, we will continue to use the pupil premium funding to support pupil's learning and make provisions for identified barriers to learning. This may involve additional paid services from the Educational Psychology Team and other external agencies.

We are aware of the need to continue to ensure that all children achieve as well as possible and the need to provide additional 1:1/small group targeted support from an additional teacher and teaching assistants.

The school has identified the need provide ICT packages, spag.com, spelling shed and TT rock stars which will support pupil progress in English and maths.

The school has also identified the need to continue to provide additional support to pupil premium pupils during lunchtime.

In order for PP children to access after school clubs and residentials the school are happy to pay for these
