

Expectations for the live sessions at home

Children are expected to behave as they would do in school. Our behaviour policy still stands regardless of whether you are remote learning or in school learning.

Join:

Join the scheduled session on time. When you enter the meeting, make sure you are in a quiet location without distractions (toys or tv) and that an adult is near by.

Mute:

Make sure you join the meeting with your microphone muted. Your teacher will tell you when to unmute yourself. If you have any question raise your hand by pressing the hand icon in teams and your teacher will know you wish to speak.

Video:

Everyone will need to enable his/her video so we can see you all and you can see everyone else.
