Dear Parents/Carers,

It has come to our attention that year 6 have a what's app group and there are often inappropriate postings on that group of foul language, inappropriate materials and conversations. After discussing the issues with year 6, it has become apparent that there are several groups set up where this is happening. Miss Hall has had a talk with all the children in year 6, they have discussed the appropriateness of the chats, and potentially how these chats can upset other members of the group.

We are asking you to please help us by policing what your child is doing on social media and check their phones to ensure that what is being posted is appropriate. Please let us know if you feel there has been anything that is inappropriate and we can help to keep all our children safe and ensure that the group stays as a social chat that everyone can enjoy.

Yours sincerely
